Licensed Distributor Reporting Form for Cigarette Sales of Non-Participating Manufacturer Brands — Definitions and Instructions

In 1998, forty-six states, the District of Columbia and five U.S. territories (the states) entered into a settlement agreement with the four largest tobacco companies in the United States. Under this agreement, called the Master Settlement Agreement (MSA), tobacco companies agreed to put restrictions on their marketing practices and to pay a projected \$206 billion over twenty-five years to the states to compensate the states for costs arising from the health problems caused by the use of cigarettes and other tobacco products.

More tobacco manufacturers have subsequently signed the MSA. All manufacturers who have signed the MSA are referred to as participating manufacturers (PMs). There are a number of cigarette and roll-yourown tobacco (RYO) manufacturers who have not signed the MSA. They are referred to as nonparticipating manufacturers (NPMs). Under the Colorado Tobacco Escrow Funds Act, C.R.S. section 39-28-201 et seg., NPMs must put money into a qualified escrow fund "to guarantee a source of compensation and to prevent [NPMs] from deriving large, short-term profits and then becoming judgment-proof before liability may arise." The qualified escrow fund is an escrow arrangement between the NPM and a federally or state chartered financial institution, which, among other things, prohibits the manufacturer from using, accessing or directing the use of the fund's principal.

The amount of money an NPM must contribute to the qualified escrow fund each year is based on the number of units of cigarettes and RYO the NPM sold in the state during the year (units sold). The number of units sold is measured by the number of individual cigarettes sold in the state by an NPM as measured by excise taxes collected on RYO and on packs of cigarettes. No escrow funds are required for other tobacco products.

Under Colorado statute, it is the stamping agent, usually a licensed distributor, who is required to file a monthly report of NPM cigarettes and RYO sold and an excise tax return with the Colorado Department of Revenue (DOR). The information required by DOR on the report includes, but is not limited to, a list by brand family of the total number of cigarettes and the equivalent stick count for RYO sold in Colorado during the period for which taxes were paid. DOR uses the report to confirm the amount of excise tax due on cigarette and RYO sales.

In April each year, NPMs must file with the Colorado Office of the Attorney General (OAG) a Certificate of Compliance by Non-Participating Manufacturer Regarding Escrow Payments (NPM certificate). The NPM certificate is designed to capture the total number of units sold by brand name, the total amount of escrow to be paid based on those sales, the financial institution which holds the escrow funds and the signature of an authorized agent.

DOR summarizes the information provided by licensed distributors and provides the summary to the OAG. The OAG compares the DOR information to NPM certificate filings to confirm that each NPM has made a correct deposit into its qualified escrow fund. The OAG notifies NPMs of payment deficiencies based on the comparison of manufacturer-provided information and distributor-provided information.

In conjunction with the Colorado Tobacco Escrow Fund Act, the State of Colorado maintains the Colorado Certified Brands Directory (Directory). Pursuant to C.R.S. sections 39-28-301 et seq., all tobacco product manufacturers that wish to sell cigarettes and RYO in Colorado must file an annual certification with DOR and the OAG. Tobacco Product Manufacturers include both PMs and NPMs. The Directory is found online at www.TaxColorado.com and lists tobacco product manufacturers that have provided complete

and accurate certifications. The brands listed on the Certified Brands Directory are the only brands that are legal for sale in Colorado. All other brands are contraband. All licensed distributors and stamping agents are required to provide an e-mail address to DOR to be notified of monthly updates to the Directory.

If you have any questions regarding this information, you may contact Brian Laughlin, Colorado Department of Law, Tobacco Settlement Enforcement, at (720) 508-6000, or you may contact Jeanne Pletcher at (303) 205-8211 extension 6848 or Anthony Muller at (303) 205-8211 extension 6860 at the Colorado Department of Revenue.

As part of the Master Settlement Agreement and the Colorado Tobacco Escrow Funds Act, the Department of Revenue is required and authorized to compile information about cigarettes and roll-your-own tobacco sold in Colorado. C.R.S. §§ 39-28-201 – 203, and 305. If you anticipate that you will only sell product manufactured by PMs, purchase only stamped and/or tax paid product from Colorado licensed distributors, or sell only tobacco products not subject to the MSA, you should complete Form DR 1286.

Form DR 1285 is designed to track all NPM cigarettes and RYO that enter the State of Colorado. Complete Form DR 1285 and submit it monthly if you are a cigarette distributor/wholesaler and/or a tobacco products distributor/wholesaler:

- Selling NPM manufactured cigarettes in Colorado and affixing the Colorado cigarette tax stamp;
- Selling tax paid NPM manufactured RYO in Colorado: or
- Selling tax exempt NPM cigarettes and RYO in Colorado.
